

# GIS DAY'18 CELEBRATION EVENTS

15<sup>th</sup> November, 2018

Kauno kolegija/University of Applied Sciences

## THE PROGRAMME

### Part 1 International web-conference GISday'18

📍 Pramonės pr. 22A, Classroom 406

**In English**

- 10:00 -10:05 **Opening of the web-conference GISday'18**  
Ina Živatkauskienė, Kauno kolegija/University of Applied Sciences (Lithuania)
- 10:05-10:20 **Artificial Intelligence, Big Data, Location Analytics and GIS: Why Employers are Increasingly Competing for Specialist with Geographic Background?**  
Mantas Butrimavičius, Hnit-baltic (Lithuania)
- 10:20-10:35 **GIS shows more than number (a case study in State Forest Enterprise)**  
Assoc. Prof. Ina Bikuvienė, State Forest Enterprise (Lithuania)
- 10:35-10:50 **ArcGIS online: Analysis and Publication of Historical Maps**  
Tadas Venskūnas, Kauno kolegija/University of Applied Sciences (Lithuania)
- 10:50-11:05 **Students research activities at Kauno kolegija applying GIS technology**  
Justina Sipavičiūtė, Vytautė Juodkienė, Kauno kolegija/University of Applied Sciences (Lithuania)
- 11:05-11:25 **ArcGIS – platform for Riga Technical University property and field facilities management**  
Assoc. Prof. Janis Kaminskis, Janis Kokins, Alise Lapina, Riga Technical University (Latvia)
- 11:25-11:45 **Teaching GIS in Estonia**  
Tonu Oja, University of Tartu (Estonia)
- 11:45-12:00 **GIS is everywhere**  
Assoc. Prof. Marek Ogryzek, University of Warmia and Mazuria in Olsztyn (Poland)
- 12:00-12:10 Discussion

Active link to web-conference: <https://ac.liedm.net/r63rs8ubavr/>

### Part 2 Seminar “Innovation solutions on Geodata collection using 3D laser technology”

📍 Pramonės pr. 22, Classroom 1-57

**In Lithuanian**

- 13:00-13:05 **Opening seminar**  
Aurelijus Živatkauskas, Kauno kolegija/University of Applied Sciences
- 13:05-15:00 **Public lecture to students about 3D laser technology, theoretical and practical training**  
Tadas Semaška, UAB TPI Vilnius (Lithuania)

For more information: Ina Živatkauskienė, Head of Environmental Engineering Department at Faculty of Technologies, Kauno kolegija/University of Applied Sciences; e-mail: [aplinkos.inzinerija@go.kauko.lt](mailto:aplinkos.inzinerija@go.kauko.lt)

**All participants will be issued e-certificates**
